

## Farmer's Market Fresh Activity / Primary Elementary

Windy needs help making signs for their Farmer's Market next week. Fill in the missing letters below to correctly spell each fruit and vegetable. Then color in the word "Farmer's Market" so they can attract customers to their yummy produce!

The OrganWise Guys® is a registered trademark of Wellness Inc. All rights reserved.

Windy knows that in order to eat lots of fresh fruits and vegetables, they must be available in your house. Write the names or draw pictures of the fruits and veggies you would like to get from the farmer's market or store. Be sure to take the list with you the next time your family goes shopping.
